Yari Grecco

Label manager of SCENA_731

bc <https://scena731.bandcamp.com/releases>

Yari Greco was fascinated by his family's panting and craftsmanship, he discovered the art of music at 9 years old, which has since become his passion and has been active on many fronts since 2002.

Influenced by foreign currents and European scene, he gradually found his way into creating a unique dark sound, with a mixing of psychedelic and acid frequencies, which lead him to the forefront of the techno scene.

Yari Greco debuts with major and historical Portuguese labels like: (Kombination Research by the legendary Mr. "The Advent" and then on Naked Lunch Records by "A.Paul") with an industrial sound. Soon after, his strike with the acclaimed release "From Different Storms EP", delivered on Advanced Black Records, receiving massive support and played by Mr. "Aphex Twin" and the track "Anasthasia" with a madness remix to the legend T99 artist.

Another recognition was the release "Archive_731" trax and "Man Train" trax on 12" LTD Edition by Scena_731 Recordings and without forget the amazing work "Ride To Heavy" supported and played from the master of techno music Mr. "Speedy J". He has been called to perform at the festival "Enox Djz" at Sala Pagoa in north of (Spain) near to (Pamplona-Bilbao) as special guest, then in the infamous disco "Ciclope" in Italy and in Naples with "Oscar Mulero, Luke Slater, Lewis Fautzi". Massive are the gigs in London for "Jaded at Corsica Studios" and after for "Sentement Strictly Techno" at the 1st Anniversary in (UK) and in differents important events.

He creates an intensive connection, communicative and direct with the audience during his sets. Over the years Yari has worked so hard and spending many hours in the studio and putting out music on the label Scena_731 Recordings, like artist director. Currently is working on respected labels such as: Kombination Research Rec, Green Fetish, Reloading Rec, Impact Mechanics Rec, Illegal Alien Rec and many more plattform.
